Dear Friends and Patrons,
For 19 years, you have enabled us to:
enrich the lives of 4,000 students who interact with artists and their sculptures,
support the art appreciation of 300,000 residents & visitors to the exhibitions,
invite a group of vision-impaired art lovers for the first time to a special sculpture experience,
and encourage 200 artists to continue their creative work.
We thank you from the bottom of our hearts.

Lee HS students on tour 2015

Every year we offer a unique and innovative experience for students of all ages in our community by introducing them to living, working artists who guide them through our exhibition.

As one Mt. Everett High School student said after he had visited the 2015 show:

"Seeing this exhibition has been a life-changing experience for me."

Our goal for 2016 is to invest in the future of art by reaching out to students enrolled in colleges with sculpture programs. Exhibiting their new and youthful concepts will support their leap into the public arena.

Last year we initiated a very special hands-on tour for vision impaired art lovers guided by students from Mt. Everett High School. It was so successful that we will offer it again this year to many other associations for the blind.

Berkshire Benevolent Association for the Blind on tour 2015

We would love to see you at the opening celebration of all new sculptures on June 12, 2016.
Come meet the artists on the guided tour, then join us for the party on the terrace of The Mount.
Watch for your invitation in the mail.

Guided tour at the Opening Celebration 2015

And of course you can always come to our monthly artist-guided tours from June 1-October 31, or on your own with our self-guiding exhibition maps.

Please tell us about your experience of the show!

To those of you who have given so generously in the past, we send a heartfelt **Thank You.** This year we ask if you would kindly increase your gift. To those who are joining us for the first time, we say **Welcome** to a partnership that enriches our community.

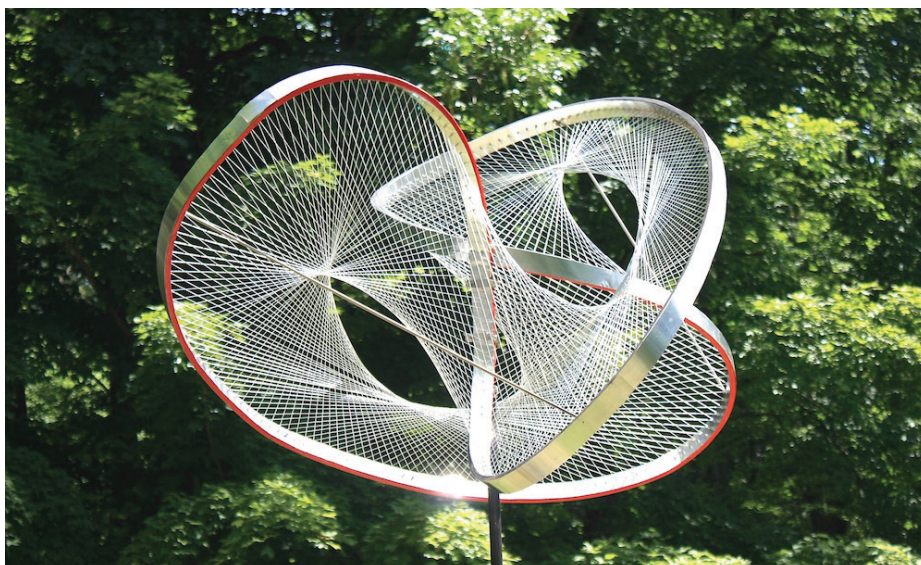

With your generous help we look forward to an extraordinary year of art, nature and education.
Your tax-deductible donation is essential!
