*A dream you dream alone is only a dream. A dream you dream together is reality.*

—Yoko Ono

**Together you and SculptureNow dreamed and realized another great sculpture exhibition.**

With your help we expanded the exhibition by selecting thirty extraordinary new sculptures never before seen in the Berkshires, some created by world-renowned artists, others by young emerging sculptors.

Come and see the excitement when, at the end of May, we install the sculptures and get ready for officially opening this exceptional show on June 1.

Seven Piece Ring by James Burnes

**And come join us on June 11, when we welcome you to our great reception including a guided tour by exhibiting artists and festivities on the terrace.**

**Watch for your invitation in the mail.**

*Art washes away from the soul the dust of everyday life. —Pablo Picasso*

We welcome you to come back, early, late and often, bringing family and friends, enjoying the exhibition at your own pace, or joining our free artist's guided, monthly tours.

Day's End by James Kitchen

*Every child is an artist. The problem is how to remain an artist once he/she grows up.*

**—Pablo Picasso**

In June, September and October you might come across groups of children from many of our Berkshire schools, spending the day at The Mount with SculptureNow artists and The Mount docents, learning about art, history, and nature.

*Lee Middle School Fieldtrip 2016*

*It's not what you look at that matters, it's what you see.*

**—Henry David Thoreau**

### **How Do You See Sculpture If You Are Vision-Impaired?**

**You encouraged us to offer a very special program for vision-impaired children last year. The success of it insured that we will continue it this year.**

Today we reach out to you and invite you to become a partner in making the dream of world-class art and unique art education an ongoing and enriching reality in the Berkshires.

We greatly appreciate your tax-deductible gifts in the past. Your support has been, and continues to be, an essential and intrinsic component of our vision for the future of our programs.

We thank you, for your support of **SculptureNow**, now and in the future.

Yours Truly,
